

COEXPAN, EMSUR & ESTELLAPRINT will show an extensive range of packaging solutions at CFIA 2018

- *COEXPAN and EMSUR will once again be showcasing combined rigid and flexible packaging solutions at the main Food-Process Event in France.*
- *For the first time the plastic divisions of Grupo Lantero will join with their sister company ESTELLAPRINT, specialized in packaging solutions for food and consumer goods industries.*

February 12th 2018 – COEXPAN & EMSUR, the two Plastic Packaging Divisions of Grupo Lantero, will be showing their combined solution at CFIA 2018, the innovative trade show for the food-processing sector taking place in Rennes, France, from 13th to 15th of March. Both companies, joins commercial synergies at CFIA to show their wide rigid and flexible plastic packaging solutions, focused on the agro-food industry, through their plants based in France: Coexpan France/Formplast/FSP and Emsur SPO.

A new feature of this year's exhibition is the presence of their sister company EstellaPrint, which lands in CFIA for first time to introduce its cardboard packaging solutions to the French food market. This occurrence is certainly a unique opportunity to find more about the wide portfolio of packaging solutions of the three packaging divisions of Grupo Lantero.

You are invited to visit COEXPAN, EMSUR and ESTELLAPRINT stand at the CFIA Rennes 2018 exhibition located in Hall 2, Booth B10 where you can meet our packaging experts.

The upcoming trade show CFIA Rennes 2018 will be as well an opportunity to show combined and innovative packaging solutions in response to current market trends and customer demands.

COEXPAN & EMSUR portfolio includes Rigid Solutions as FFS Plastic Rollstock Sheets, Fresh Food & Ready Meals trays, Cups & Pots Clamshells; and Flexible Solutions as FFS Lidding & in-mould labelling, Laminated films gravure & HD flexo printed, Shrink Sleeves, Rollstock films

for FFS Products, Bags and Pre-made pouches for FS applications. The combination of both solutions provides a full-service offer that is tailored to the needs of customers.

Both companies, COEXPAN and EMSUR, are well-known packaging suppliers among whole European market. Nowadays, COEXPAN, rigid plastic division of Grupo Lantero is present in 5 European countries with 8 production plants in Spain, France, Germany, Italy and Russia. EMSUR, specialized in flexible plastic packaging, has 5 factories in Europe located in Spain, France, Poland and Russia.

ESTELLAPRINT Packaging division, located in Navarra (Spain) is specialized in book printing and producing cardboard packaging for the food and consumer goods industries.
